5-YEAR TYRE WARRANTY

Your tyres are warranted against manufacturing defects for 5 years from the date of purchase. We ask customers to understand that, under current tyre manufacturer's procedures, any suspected tyre fault has to be examined by the manufacturers before it can be judged as faulty. This means that customers, as is the current practice, must pay for a new tyre first, and then await the adjudication by the manufacturer. This is normally obtained within 4-6 weeks. It is impossible, therefore, for us to recompense tyre problems on the spot as the manufacturer will not establish the liability for replacing the tyre until this procedure has been carried out. If a tyre is adjudged faulty by the manufacturer, an allowance for replacing an equivalent tyre is made, based on:

- Amount of legal tread life remaining
- Cost of replacing an equivalent new tyre.

Please keep your original invoice for proof of purchase and correctly completed warranty certificate with the six monthly checks carried out.

20,000 MILE GUARANTEE

This guarantee is only valid when you buy your tyres in pairs on the same axle. Your tyres have been manufactured to the highest standards and our confidence in the product allows us to extend a 20,000 mile* guarantee on your purchase. If a tyre develops a fault, including accidental damage during normal motoring, it is conditional on the application and maintenance of this guarantee that a new tubeless valve is fitted and a corrective wheel balance carried out at the time of fitting, repair or replacement of the tyre. Please note these services are chargeable. The guarantee is valid for up to 2 years or until the tyre reaches a tread depth of 1.6mm whichever is sooner.

Please check your invoice to confirm the warranty or guarantee offered on the tyre(s) that you have purchased.

Tyres with a suspected manufacturing fault or tyres irreparably damaged will be replaced at the following rates:

GUARANTEE RATES

To help you easily determine the discount available on a replacement tyre under our guarantee, use the tables below.

AUTOGREEN SMART CHASER SC1		
Tread Remaining (mm)	Mileage Travelled (miles)	Discount Allowed (%)
Min. 1.6	Under 5,000	100%
Min. 1.6	5,000 – 10,000	50%
Min. 1.6	10,000 – 12,000	40%
Min. 1.6	12,000 – 14,000	30%
Min. 1.6	14,000 – 15,000	20%
Min. 1.6	More than 15,000	None
AUTOGREEN ALL OTHER PATTERNS		
Tread Remaining (mm)	Mileage Travelled (miles)	Discount Allowed (%)
Min. 1.6	Under 5,000	100%
Min. 1.6	5,000 – 10,000	50%
Min. 1.6	10,000 – 12,500	40%
Min. 1.6	12,500 – 15,000	30%
Min. 1.6	15,000 – 17,500	20%
Min. 1.6	17,500 – 20,000	10%
Min. 1.6	More than 20,000	None

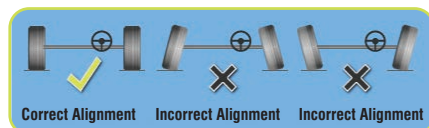

These tables provide a clear view of the percentage discount allowed on a replacement tyre, depending on a minimum tread depth of 1.6mm and the distance your tyre has travelled. Please note, the guarantee is valid for up to 2 years, for a maximum of 20,000* miles, or until the tread reaches 1.6 mm, whichever comes first.

*15,000 miles for an Autogreen Smart Chaser SC1.

ALIGNMENT/TRACKING

There are many misconceptions about the value of tracking. In fact, an incorrectly tracked vehicle can be costly. The more day to day problems however include:

- Impaired comfort and handling
- Reduced fuel economy
- Increase rate of treadwear
- Primarily prevents uneven treadwear
- Aligns vehicle wheels front to rear
- Helps centralise steering

This warranty does not affect your statutory rights.
